our North Carolina Correspondent
will show the true inwardness of
the fight in Mr. O'Hara's district.
We have always admired Mr.
O'Hara and believed that he should
have been returned to the next
House, but, as Mr. Abbott, we are
informed, is the regular nominee,
Mr. O'Hara should accept his defeat
in good faith and support the
regular republican candidate. We
do not know Mr. Abbott personally
but, we are informed by a prom-
inent gentleman in the District,
that he is a representative man of
honesty and integrity and if Mr.
Abbott is the regular nominee of the
party he should be supported by
all honest people.

A CORRECTION.

Editor BEE:
Please make the fol-
lowing corrections in my article of
last week's issue:

Wherever the word "Popal" ap-
pears it should be Papal, and
where it reads "looked to Rome
or Catharine's appeal," it should
be evoked to Rome on Catharine's
appeal.

"Campeggis" should be campeggio
and the word "of" between "Prin-
cess" and "Mary" should be stricken
out.

I regret that the BEE usually so
correct, was led into the errors in-
dicated by my miserable chirogra-
phy, and when I write again I
will endeavor to do so in a more
legible hand. Respectfully,
Wm. V. Turner.

THE YOUNG MEN'S LITERARY ASSOCIATION OF ISREAL.

INTERESTING EXERCISES, &c.

This literary society has progress-
ed rapidly and to the entire satis-
faction of its members and friends.
The second literary meeting of
the Association was held at the church
last Monday evening, with a good
attendance. After preliminary
business Mr. Wilkerson rendered a
solo, entitled "Far Away." The
piece was rendered with a happy
artistic effect.

"Which does the most to produce
Crime, Wealth, Poverty, or Igno-
rance?" was the title of a paper
read by Mr. Leonard of Illinois.
The writer affirmed that wealth
was responsible for the greatest
amount of crime. Mr. Leonard
showed ability of a rare order, both
in the method of his argument
and singularly rhetorical effect of
his reading. The paper was discuss-
ed by Messrs. Thackelford, Sever-
son, Lee, Ricks and Brown. The
debators taking different views of
the question. Mr. Leonard ably
answered in a ten minutes reply,
arguments addressed against his
affirmation in his paper. The dis-
cussion throughout was entertain-
ing and instructive.

A unanimous vote was extend-
ed Mr. Leonard by the Association
for his interesting paper. The
program for the next meeting, next
Monday evening, is as follows:
1st. Music by the club; 2nd, Solo;

3rd, Select reading by Mr. T. K.
Bruce; 4th, A paper by Dr. J. T.
Thackelford, "Unity is the most
necessary element to success."

The public is invited to attend.
The officers of the club are: Wm.
Bush, president; Rev. R. S. Wil-
liams, vice pres.; W. E. Grant,
treasurer; Joseph Clark, secy.;
L. C. Moore, Chaplain; J. F. N.
Wilkerson, musical director and a
board of five directors.

cellent especially that of the Met-
ropolitan. Amount of collection

Messrs. L. Chase and John
Sample have returned from the
sea shore.

Persons desiring to have print-
ing done for entertainments and
other printing matter will please
leave their orders at 1417 28th
st. We see no reason why that
the printing for our churches and
societies in this section of the city
cannot be done at the "BEE" of-
fice where young colored men are
employed. You will find their
work good and as reasonable as
elsewhere. Superintendents of
Sunday schools will find it to their
advantage to give us a call.

AN APPEAL TO THE PEOPLE.

ON BEHALF OF THE DESTITUTE
COLORED PEOPLE OF CHAR-
LESTON.

Last night's mail brought to the
Associated Press office in Washing-
ton a note dated Charleston, Sept.
6, signed by "S. W. McKinley, for
committee," asking publication of
the following appeal:

Charleston, S. C., Sept. 6.—At a
meeting held by the colored citizens
of this city at Mt. Zion A. M. E.
Church it was resolved that a com-
mittee should be appointed to pre-
sent to the public the condition of
the colored people as sufferers from
the recent earth-quake.

The committee met and deter-
mined to send an appeal to the people
of the country in their behalf.

We, the representatives of the
colored people of Charleston, S. C.,
who have been rendered destitute
in many cases by recent earthquake,
do appeal to the generosity of the
American people for aid in this
trying hour, it is not necessary to
recount the horrors of the calamity,
for its extent is known throughout
the country; we, therefore, simply
ask that our people receive through
the committee, which has been ap-
pointed by them, whatever dona-
tions the generous people of this
land are willing to send. The need
is urgent. Immediate aid is neces-
sary.

Signed by S. W. McKinley, chair-
man; Revs. J. E. Wilson, L. R.
Nichols, P. W. Jefferson, R. I. San-
ders, and George C. Rowe; W. D.
Crum, M. D. Secretary.
The secretary will sign for any-
thing that may be sent to him.
